

REGULATORY COMPLIANCE SOLUTIONS

MEDICAL DEVICE

Raland Compliance Partners is your trusted partner delivering sustainable Quality, Regulatory, and Clinical compliance solutions.

Raland Compliance Partners (RCP) provides full life-cycle compliance consultation for **Medical Device**, Pharmaceutical, and Biotech companies worldwide. Whether you need the opinion of an ex-FDA consultant, strategic subject matter expertise, to mobilize a program or project team, or to just augment your existing clinical, quality, or regulatory organization, we're here to help. When you engage with RCP, your support extends to the combined knowledge and expertise of our entire in-house team, leveraging decades of industry experience...we're not happy until you're happy.

RCP professionals can navigate the ever-changing US and international regulatory requirements, standards, and industry best-practices. Our Medical Device services include the following specialties and more:

- Strategic Planning and Risk Management
- Quality System Review/Development
- Enforcement Action Consulting
- Auditing, Inspections, and Assessments
- Computer Systems Validation
- Unique Device Identification
- EU MDR Readiness
- ISO 13485:2016 Transition
- Customized Training Solutions
- Translation/Interpretation
